

Chapter 2.13

The Second Tower of Babel

"SUBMIT TO OUR HIERARCHY AND WE WILL GIVE YOU FREEDOM."

This paraphrases the Pied Piper appeals of the elite that plans to continue ruling the New World Order that they are bringing in.

Alice Bailey's book *Externalisation of the Hierarchy* is so blatant about spelling out their plans it is somewhat unnerving. Her book is for teaching New Agers about their Plans, so even though it does tell what they are going to do, it describes events in terminology that would appeal to its readers.

Just as the Greeks camouflaged their intentions with the Trojan Horse, the New World Order is window dressing their socialist dictatorship to make it appear to be what the public wants. And like the Trojans, Americans are busy pulling the Trojan Horse of the New World Order into their fortifications. (Chap. 1.14 is an example of how people's perception of what the New Order is may be quite out of line from what they are really going to get.)

PROMISES, PROMISES!

Alice Bailey tells us that this Hierarchy of Rulers wants to bring us "salvation", "spiritual intercourse" (whatever that is), "a new world" (we all like new things), to be led by a "new group of world servers" (great! some more public servants).¹

(If you are one to have swallowed what some "Christian" authors are telling us that Alice Bailey and Lucis Trust have no significance, check the appendix out and note that members of Lucis Trust have high positions of power. Note also the addresses of Lucis Trust are 866 United Nations Plaza and Whitehall Court in London.)

LEARNED ELDERS OF ZION

A clique of about 300 Powerful Jewish men has sway over the affairs of the world. This group includes the the Jewish Rockefeller family and the Rothschild family.

The close connections between the House of David and the "Black" Nobility that has ruled over Europe is a topic for another complete book. We can only touch on the subject. The purported lineage of David is guarded by the Prieure de Sion and the lineage of the Black Nobility by the Knights of Malta. The Grand Master of the Prieure de Sion (inducted in 1981) stated that his organization contained Knights of the Order of Malta within its ranks. Indeed, the previous Grand Master of the Prieure de Sion Abbe' Francois Ducard-Bourget was also the Magistral Chaplain of the Knights of Malta.² Commenting on the two orders which are protecting two different powerful bloodlines The Messianic Legacy says, "...both Orders could be expected to function in much the same sphere, the twilight underworld where politics, finance, religion and the work of various intelligence agencies converge. Undoubtedly, too, the Knights of Malta and the Prieure de Sion had certain interests and certain objectives in common. Both Orders...were apparently intent on the creation of some sort of United States of Europe. And the history of both Orders, assuming the Prieure's pedigree to be authentic, would have been closely intertwined. Both claim a heritage back to the Crusades..."³

By international law, the Knights of Malta are an independent sovereign nation, a principality, although the U.K. which has the Protestant branch of this order called the Order of St. John does

not recognize the Order of Malta's passports. At least 30 nations do recognize the Order of Malta's passports.⁴

Nearly half of the Knights of Malta's 10,000 members belong to Europe's Black Nobility, that is Europe's oldest and most powerful families. The head of the Black Nobility claims descent from the last Roman emperor.⁵ The Knights of Malta are closely allied with the Vatican, the Masons, and the CIA. That the Priore de Sion (allied with Scottish & Mizraim Rites) and the Knights of Malta are cooperating peacefully with each other, considering that the bloodlines they represent were once in competition means that an alliance between the House of David and the Black Nobility is solidly in place. Further, the Askenazim Jewish Banking families such as the Rothschilds have allied themselves to all this through marriage and business.

From the historical evidence, this Author believes that Mason/Rosicrucian Napoleon, who conquered Malta from the Knights of Malta and the Papal States along with the Pope, was able to realign those powers in some way with Illuminati goals. Freemasonry itself had been already been subverted by the Sanhedrin and the Illuminati. A Grand Alliance of the various powerful bloodlines, Freemasonry, and the Jewish Sanhedrin occurred back in the early 1800s. However, the manipulation of events to centralize their power was a gradual process. For instance, the first passports issued by any state was done under the Masonic rule of France after the French Revolution. Yet, it wasn't until after W.W.I, that the One-World-Power could justify restricting the free travel of the nations with passport requirements.⁶

THE BILDERBERGERS

The alliance of the great powers can be seen in the meetings of the Bilderbergers. This group consists of leaders from the Black Nobility, the Jewish Banking families, the Freemasons, and the Internationalists. The real power of the Bilderbergers resides in the Inner Core, which consists of 3 groups of 13 for a total of 39.

This Inner Core then answers to the Policy Committee which consists of 13. The Policy Committee answers to a Round Table of 9.

WILLIAM OF ORANGE'S FAMILY

One of the most powerful men within the Bilderbergers is Prince Bernhard of the Netherlands. He still retains influence, even after giving up the chairmanship. His family, the Hapsburgs, are descendents of some powerful blood lines, including the House of Orange and the Roman Emperors. Prince Bernhard was the first chairman of the Bilderbergers. He is the husband of the Queen of the Netherlands, who abdicated in favor of her daughter. Prince Bernhard's wife Queen Julianna has been estimated to be worth around \$2 billion dollars.⁷ She holds stock in Royal Dutch Shell and Exxon. She holds the masonic title of "Protectress of the Craft [Freemasonry]". She and the Prince have played an active role in Freemasonry. In 1957, for instance, she received the Grand Masters attending an international conference at the Hague. Prince Philip of Orange gave the Grand Lodge's building while he was Grand Master, and also donated 7,000 books to its library.^{7a} The Orange family have been important in Freemasonry over the years.

The Bilderberger meetings are secret, but several investigators, especially one has been able to get information each year on the ongoing. From the tidbits that come out of what happens, it is evident that decisions made at the Bilderberger meetings soon translate into official policy of the nations around the world.

Some of the men in 1966, that attended the Bilderberger's meeting were Henry Kissinger, Palme of Sweden, Bieusheuval of The Netherlands, Gerald Ford of the United States; Helmut

Schmidt of West Germany; Rumor of Italy, and Giscard d'Estaing of France (d'Estaing was at the 1968 meeting but not at the 1966.)⁸ The high ranking Mason Gerald Ford (originally named Leslie King) had attended the 1962, 1964, 1965, 1966, and 1970 Bilderberger meetings. The significance of these men being delegates in 1966 might at first glance elude the reader today, because they have since been chief-executives or in top level government positions. However, the significance is that these men in 1966 were relatively unknowns. Within eight years these Bilderbergers had become prominent.

ONE ITEM TO SHOW THE BILDERBERGER'S POWER-THEIR DESTRUCTION OF A PRESIDENT

This raises the question, didn't Gerald Ford just happen to become President? William Still, who has recently written the book *New World Order: The Ancient Plan of Secret Societies*, became interested in the subject that his and this book concern when his father Lt. Col. William L. Still, was approached by someone who asked his father how he would feel if there was a military takeover of the U.S. government and implicating that Nixon wanted to take over. The day was about October 15, 1973. Nixon was in trouble with Watergate. Still's father wrote a memorandum warning that a military coup was being planned to put Nixon into office for a third term by any means. William Still researched that mysterious coup that never happened, and as a result became aware that things are in serious trouble for this nation, as we approach the slavery of the New World Order.

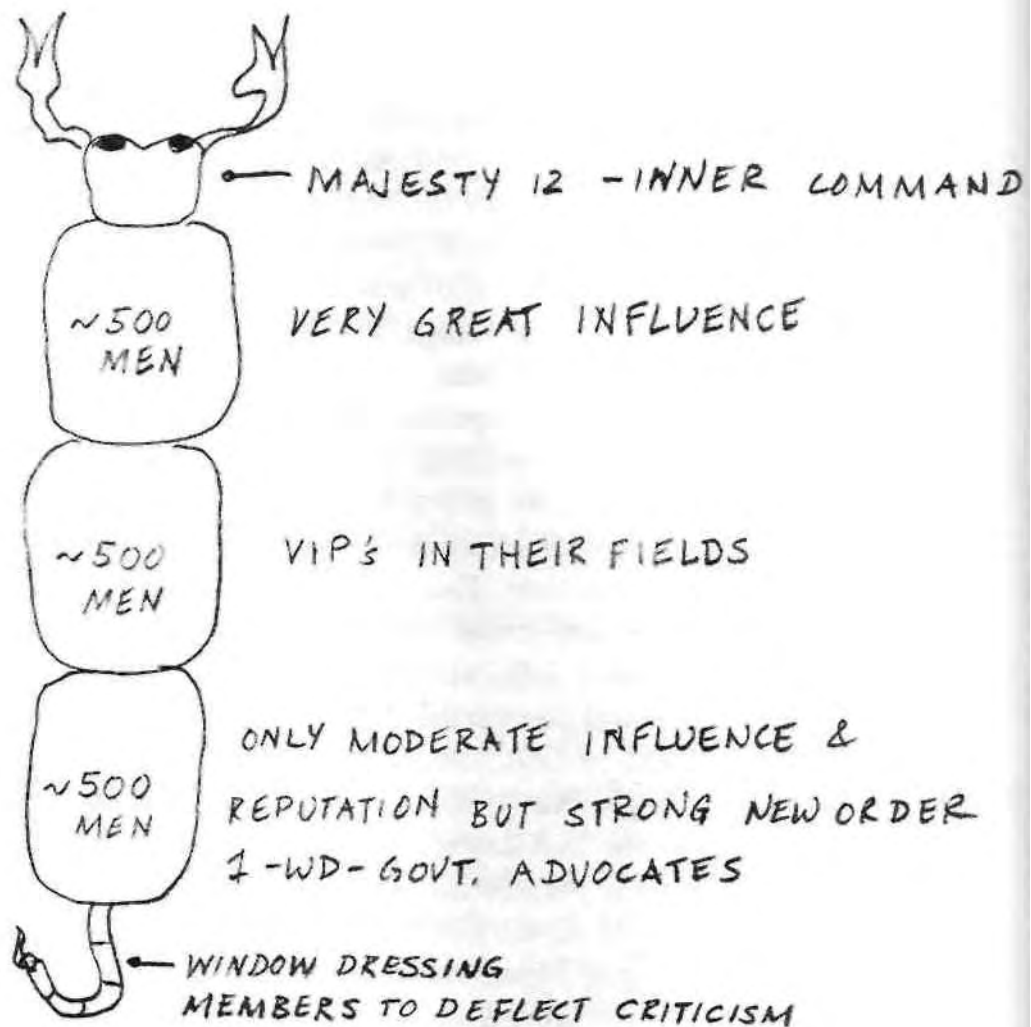

William Still writes, "I hope the publication of this book will stimulate the release of new data..." If William Still is reading this book, I would like to give him new data and fill him in on what happened. But this will not be the story he expected.

In dealing with operations done by the CIA and intelligence agencies, one is dealing with a world of lies and counterlies. There are so many layers of lies that the truth is difficult to unbury, but once it is, the lies often fall apart. "The man who must depend upon research and investigation inevitably falls victim to the many pitfalls of the secret world and of the cover world with its lies and counterlies."—Contact officer between the CIA and the DOD (Dept. of Defense) from 1955 to Dec. 1963.

Many of the Army, Navy, and Airforce leadership are CIA assets.⁹ Many of the people in the U.S. Government are CIA assets. The CIA has spent many years and much money to get their CIA assets into all the various areas of the government.¹⁰ The CIA is adept at leaking or creating false stories that have all the earmarks of being true. In his book Prouty debunks the "Pentagon Papers". The Pentagon Papers appeared to be an expose of the U.S. government. Actually, they were manufactured by the CIA and were simply fiction. What Lt. Gen. Still had "leaked" to him was a carefully orchestrated smokescreen, a diversion. By having their CIA assets in the government start the rumors going around that Nixon was going to create a dictatorship by a military coup, they allowed their military coup to go undetected. Their take-over actions almost looked like a response to Nixon's supposed coup. It was brilliant. To further cover their tracks several misleading books have been published subsequently that are written by participants of those days.

The following events took place.(You can believe this or not—it is presented simply as an example of how powerful the Bilderburgers are, that they make and toss away Presidents. To conserve space this section will not go into why they wanted to elect Nixon and then toss him. If you are interested, others are also capable of telling you why.)

DOCUMENTATION WITH EXPLANATIONS CONCERNING MJ-12

My own secret sources of information indicate two items:

- a. that the highest levels of Satanism, commonly known as the Illuminati, control the CFR and other top-level decision making groups in the U.S. government.
- b. that the highest levels of Satanism have on-going direct contact with the aliens (actually demons) and work with them.
- c. that a group of men commonly known as Majesty 12 or MJ-12 does indeed exist, and they direct the United States, and are aware of ongoing work with the "aliens".

From this limited confidential information, I have proceeded to try to glean more information to pad out my picture and hopefully the reader's too of what is happening. Further information on MJ-12 has come from a number of sources.

The following documents pertaining to MJ-12 are included for the reader.

DOCUMENT 1. Federal Register pages which are called "Presidential Findings" and are available to House and Senate Intelligence Committees. The first set of pages are Executive Order 10700 by President Eisenhower, Further Providing for the Operations Coordinating Board, February 27, 1957.

The story behind these Federal Register pages are as follows: Nelson Rockefeller, member of the Illuminati, and Dwight Eisenhower began planning in 1953 for the creation of a secret governing committee from 13 to 19 men to rule the United States in cooperation with the aliens (demons). Some type of authority had to be given the group from the executive branch and some type of cover had to be given it also. The secret Executive Memorandum NSC 5510 set up a permanent Majority 12 committee. Soon afterwards in Mar. 1955, NSC 5412/1 set up the cover story-a group which had Nelson Rockefeller at its top. The cover group was entitled "the Policy Coordinating Group." As the PCG or Policy Coordinating Group actually was a front for a real group that did and still does rule the United States, people in government correctly realized its enormous power and have referred to this secret ruling body in different ways over the years.

In 1974 Thomas Ross and David Wise came out with the book *The Invisible Government* by Random House. Because this book revealed this group which was called "the Special Group" or "54/12" the name of the group was changed. Marchetti pointed out in his book *CIA and The Cult of Intelligence* that the Special Group changes its name each time its cover name is revealed to the public. The following are some of the names it has gone by:

- a. Special Study Group
- b. Wise Men
- c. Operations Coordinating Board (OCB)
- d. 5412 Committee - Eisenhower & Kennedy Administration
- e. 303 Committee - Johnson Administration
- f. 40 Committee - Nixon, Ford, Carter Administrations
- g. PI-40 - Reagan Administration
- h. The Unholy 13 - the name Brig. Gen. Exon claims to have used
- i. Majesty 12, Majority 12, (its level of secrecy is labelled MAJIC)

DOCUMENT 2. Secretary of Defense Robert McNamara's testimony to the Jackson Subcommittee about policy-making at the Presidential Level for the National Security Council

in 1965. McNamara's testimony is that he and Dean Rusk did not automatically adopt any proposed policy put forth by a study group-- but historically it can be seen that the Study Group was calling the shots. We can see the impact of the Special Study Group by close attention to the next Document, JK 516 A5 The Investigation...of the Intelligence Agencies, Book 5.

DOCUMENT 3. JK 516 A5- Cover page of Book V, and page 100 (which was Appendix C) show that the Study Group did formulate policy.

DOCUMENT 4. USAF Office of Special Investigations document describing the analysis of film taken near the AFB of Kirtland in 1980 which refers to in paragraph 2 "...OFFICIAL US GOVERNMENT POLICY AND RESULTS OF PROJECT AQUARIUS IS STILL CLASSIFIED TOP SECRET WITH NO DISSEMINATION OUTSIDE OFFICIAL INTELLIGENCE CHANNELS AND WITH RESTRICTED ACCESS TO "MJ TWELVE". SPECAT (special category messages) sent from MAJESTY CONTROL (evidently MJ-12) have been seen by intelligence officers with high clearances. Such SPECAT have been called MAJESTY ADVISORY. At other times a Majesty 12's orders have been called Majority 12 Directives. Intelligence people with Q clearance and Presidential approval were classified "MAJESTIC" on Project REDLIGHT. Extremely sensitive material is classified MAJIC. It appears from the numerous sources that the secret MJ-12 governing group uses MJ in connection with the words MAJIC, MAJORITY, and MAJESTIC.

FALSE DOCUMENT. The pages of what is called the "Briefing Document: Operation Majestic 12 Prepared For President-Elect Dwight D. Eisenhower" are a CIA/NSC attempt to muddy the waters with a fake document. Because the public began to learn some real facts about MJ-12, a special operation called MAJESTIC to deceive the public was carried out by three intelligence men, Stanton Friedman, William Moore, and Jaime Shandera. Supposedly Jaime Shandera got some 35mm film and realized what he had after he developed it. It was labelled a briefing document for President-elect Eisenhower concerning MJ-12. The document has big errors in it, the dating is not written as per how it was done then, the Rosewell Army Air Field and Walker Air Force Base are misnamed Rosewell Army Air Base and Walker Field. The dating and the name of the base would have had to have been done correctly under real circumstances. Much information has come out exposing these three men who claim to have come upon this document as intelligence men. They and others have been actively trying to muddy the waters.

Although a Study Group had been established even four years before the MJ-12 Study Group it appears it wasn't as all encompassing as the one established by Rockefeller in 1954. This prior Study Group (called ECG- Executive Coordination Group) can be identified in the National Security Council directive identifiable as the top secret annex to NSC-4 called NSC-4A. Later NSC-10/1 and NSC-10/2 superseded NSC-4 and NSC-4A and expanded the work of the Study Group. It appears the ECG was somewhat ad hoc, and that the people making up the group varied from meeting to meeting, and problem to problem, whereas MJ-12 is a fixed group. After Pres. John Kennedy tried to abolish MJ-12 as the control center, the Study Group retained its power but became acephalous.

When the men of MJ-12 (the 5412 committee) began meeting, it was necessary that extreme secrecy be established for it is hard to hide so many important men getting together. In 1954, the Quantico Marine Base was used. Later meetings were held at the Marine Base at Quantico, VA

and the group became known as Quantico II according to William Cooper. Rockefeller built a retreat somewhere in Maryland that can only be reached by air. Then the Group was able to fly in and maintain the seclusion they desired. The retreat's code name is "the Country Club" and it has complete living, eating, recreation, library and meeting facilities according to William Cooper.

Money for the Study Group was made available through a multimillion dollar secret fund kept by the Military Office of the White House. Some money was periodically transferred from this fund to the Kennedy family up until 1967. The Kennedy family is one of the 13 leading Illuminati families. It is not known why this money was being transferred secretly by courier.

Finally, if we look at who serves on MJ-12 there are basically three groups. Six scientists and experts of the Executive Committee of the Jason Group which is under the Mitre Corp. Six men of the Executive Committee of the CFR which are all members of the Masonic Order of the Quest and members of the Jason Society (not to be confused with the Jason Group). The other men are usually high-ranking Freemasons who control the FBI, the CIA and other key positions in the Government and Intelligence. The Kingpin members of MJ-12 are part of the Illuminati, and regularly participate in the highest levels of Satanism.

Executive Order 10700 by President Eisenhower, Further Providing for the Operations Coordinating Board, February 27, 1957

By virtue of the authority vested in me by the Constitution and statutes, and as President of the United States, it is hereby ordered as follows:

SECTION I. (a) In order to assist in the effective coordination among certain agencies of certain functions relating to the national security and to provide for the integrated implementation of national security policies by the said agencies, there is hereby established within the structure of the National Security Council the Operations Coordinating Board, hereinafter referred to as the Board, which shall report to the National Security Council.

(b) The Board shall have as members the following: (1) the Under Secretary of State, who shall represent the Secretary of State, (2) the Deputy Secretary of Defense, who shall represent the Secretary of Defense, (3) the Director of Central Intelligence, (4) the Director of the United States Information Agency, (5) the Director of the International Cooperation Administration, and (6) one or more representatives of the President to be designated by the President. The Board shall have a chairman and a vice chairman, each of whom shall be designated by the President from among its members. Each head of agency referred to in items 1 to 5, inclusive, in this subsection may provide for an alternate member who shall serve as a member of the Board in lieu of the regular member representing the agency concerned whenever such regular member is, for reasons beyond his control, unable to attend any meeting of the Board.

(c) The head of any agency (other than any agency represented under section 1(b) hereof) to which the President from time to time assigns responsibilities for the implementation of national security policies shall assign a representative to serve on the Board when the Board is dealing with subjects bearing directly upon the

responsibilities of such head. Each such representative shall be an Under Secretary or corresponding official. Each such head may provide for an alternate representative of his agency who shall attend any meeting of the Board, requiring representation of such agency, in lieu of the representative when the latter is, for reasons beyond his control, unable to attend.

(d) Any alternate members of the Board serving under section 1(b) of this order, and any representative or alternate representative serving under section 1(c) of this order, shall, while so serving, have in all respects the same status on the Board as the members of the Board provided for in section 1(b) hereof.

SECTION 2. The President having approved any national security policy after receiving the advice of the National Security Council thereon, the Board shall (1) whenever the President shall hereafter so direct, advise with the agencies concerned as to (a) their detailed operational planning responsibilities respecting such policy, (b) the coordination of the interdepartmental aspects of the detailed operational plans developed by the agencies to carry out such policy, (c) the timely and coordinated execution of such policy and plans, and (d) the execution of each security action or project so that it shall make its full contribution to the attainment of national security objectives and to the particular climate of opinion the United States is seeking to achieve in the world, and (2) initiate new proposals for action within the framework of national security policies in response to opportunity and changes in the situation. The Board shall perform such other advisory functions as the President may assign to it and shall from time to time make reports to the National Security Council with respect to the carrying out of this order.

SECTION 3. Subject to the provisions of section 101 (c) of the National Security Act of 1947, as amended (50 U.S.C. 402 (c)):

(a) (1) The Board shall have, within the staff of the National Security Council, such staff as may be necessary to assist the Board in the performance of its functions, (2) the said staff of the Board shall be headed by an executive officer of the Board, and (3) employees of agencies may, consonant with law, be detailed to the aforesaid staff of the Board.

(b) Members of the staff of the Operations Coordinating Board provided for in Executive Order No. 10483, as amended, who are immediately prior to the taking effect of this order receiving compensation directly out of funds available to the said Board shall be transferred to the staff of the Board referred to in paragraph (a)

of this section as of the effective date of this order. The said transfers shall be accomplished in consonance with applicable law, including the last proviso of section 12 of the Veterans Preference Act of 1944, as amended (5 U.S.C. 861).

(c) Appropriate arrangements may be made for the detail to the staff of the Board referred to in paragraph (a) of this section of employees of agencies who are immediately prior to the taking effect of the provisions of this order detailed to the staff of the Operations Coordinating Board provided for in Executive Order No. 10483, as amended.

SECTION 4. As used herein, the word "agency" may be construed to mean any instrumentality of the executive branch of the Government, including any executive department.

SECTION 5. Nothing in this order shall be construed either to confer upon the Board any function with respect to internal security or to abrogate or restrict in any manner any function vested by law in, or assigned pursuant to law to, any agency or head of agency (including the Office of Defense Mobilization and the Director of the Office of Defense Mobilization).

SECTION 6. The order supersedes Executive Order No. 10483 of September 2, 1953, and provisions amendatory thereof contained in other Executive orders (including, to the extent that it relates to the Operations Coordinating Board provided for in Executive Order No. 10483, the proviso of section 303(b) of Executive Order No. 10610 of May 9, 1955). Subject to the provisions of this order (including the limitations imposed by section 3 hereof), the Board may be deemed to be a continuation of the Operations Coordinating Board provided for in Executive Order No. 10483, as amended.

SECTION 7. The foregoing provisions of this order shall become effective on July 1, 1957, except that if funds appropriated for the National Security Council shall not have become available on that date for the support of the Board in consonance with this order, the said provisions shall become effective on such later date as funds \$0 appropriated become so available.

tual concern to State and Defense, and these sessions are helpful in keeping officials of the two departments in close touch.

When specific national security problems arise, they are often assigned for study and recommendation to interdepartmental task forces. The Defense Department is, without exception, represented. There are frequent meetings in the Pentagon between the Joint Chiefs of Staff and representatives of the Department of State, at which topics on an agenda suggested by both departments are considered. The Assistant Secretary of Defense for International Security Affairs attends these meetings. The State Department is represented by the Deputy Under Secretary of State for Political Affairs.

However, these are the more formalized channels of communications. There are innumerable, less formalized, but no less important points of contact between State and Defense. Informal contacts, which facilitate the exchange and sifting of ideas at working levels, take place on a continuous day-to-day basis between opposite numbers in both departments. For example, representatives of the Office of the Assistant Secretary of Defense for International Security Affairs, who are most concerned with those military matters involving foreign policy, work closely and harmoniously with their counterparts in the State Department. Regular meetings, also attended by representatives from other interested governmental agencies, are held to discuss matters of policy planning and operations coordination, such as those which were formerly dealt with by the National Security Council Planning Board and Operations Coordinating Board structure.

I must also bring you up to date on the State-Defense exchange program, in which this Subcommittee has expressed such a strong interest and which was discussed with you by Secretaries Herter and Gates.

The program is now well under way: a second group of exchange officers was welcomed by representatives of the two departments a few weeks ago. Under this program, Foreign Service officers are detailed to politico-military offices in the Office of the Secretary of Defense, the service staffs, and the Joint Staff; and military officers and Defense civilians serve tours of duty in various offices of the State Department. The exchange officers are not liaison officers or observers; they are full working staff members, or action officers, within the departments to which they are assigned.

The program currently consists of eleven officers from each department on loan to the other. Although it is still early for a defini-

dividual or department the responsibility for preparing a plan in relation to a particular requirement. That individual to whom the task has been assigned is responsible for obtaining the views of others in the government who are affected by the plan. If he assigns to me a responsibility for preparing a plan in relation to a certain situation, I recognize the interest of the State Department in that matter and solicit from Dean Rusk his views on my plan. If he accepts the plan or if I accept his views and we therefore present to the President a unanimous position, it is so stated. If, on the other hand, his views differ from mine and I do not accept his views, I don't try to find a common denominator but rather I present to the President my recommendations and state that Mr. Rusk holds contrary views and they are these.

The specific approach depends on the matter at hand. In certain instances, Mr. Rusk or I will call a group together, present a proposal, obtain their views, modify the initial proposal in relation to those views, come to an agreement in our own minds as to the course of action to be followed, and then put the matter under discussion in writing.

Alternatively, if the matter is more complex and requires more study, we may assign the task to one of our subordinates and ask that the other department participate formally in the discussion by assigning an individual to work with our subordinate—in effect, setting up a small task force which studies the matter, presents in writing to Mr. Rusk and to me their recommendations, which we then either accept, reject, or modify.

SENATOR JACKSON. YOU mentioned a task force. This administration has made considerable use of task forces, both at the Presidential level and within the departments. I wonder if you would comment on the role and operation of task forces from the standpoint of the Department of Defense.

SECRETARY McNAMARA. They are a very useful, effective way of approaching a complicated problem and insuring that people with a variety of interests and points of view and experience bring to bear their experience upon that problem and upon its solution. They are effective if they are properly directed, if they operate as a working group with a director and a responsible leader. They are not effective if they turn into a leaderless committee-type organization. Some of them do, in which case they prove to be worthless.

SENATOR JACKSON. In other words, they can suffer from the failings of any other committee, especially those you alluded to earlier.

C. NEGATIVE #3: DEPICTING IRREGULAR SHAPED UNIDENTIFIED AERIAL OBJECT IN SEVEN FRAMES OF 8MM FILM. BECAUSE OF THE SIZE AND APPARENT SPEED OF OBJECT NO FURTHER CLASSIFICATION OR CONCLUSION COULD BE DRAWN. FILM SHOWN TO BE UNALTERED.

D. 34 INCHES OF 8MM FILM: DEPICTING APPARENT COLORED OBJECT MOVING IN FRONT OF STILL CAMERA. FILM FOUND TO BE UNALTERED. SUPERIMPOSITION REVEALED OBJECT TO BE BASIC FILM FEATURES. DEPTH ANALYSIS REVEALED OBJECT TO BE WITHIN 152MM OF CAMERA. OBJECT WAS NOT CONSISTENT WITH RELATIVE SIZE OF FIXED OBJECTS OBSERVED FOR SEVERAL SECONDS IN FILM. CONCLUSION: INCONCLUSIVE.

E. ORIGINAL NEGATIVE DEPICTING UNIDENTIFIED OBJECT. FILM FOUND TO BE UNALTERED. BECAUSE OF A LACK OF FIXED OBJECTS IN THE FILM, NO DEPTH ANALYSIS COULD BE PERFORMED. BOLTON/REINFELD METHOD REVEALED OBJECT TO BE SAUCER SHAPED, APPROXIMATE DIAMETER 37 FEET. OBJECT CONTAINED A TRILATERAL INSIGNIA ON THE LOWER PORTION OF OBJECT. CONCLUSION: LEGITIMATE NEGATIVE OF UNIDENTIFIED AERIAL OBJECT.

T52-EXEMPT (S)

1. President Ford was groomed to become a leader years prior to becoming one by the New World Order.
2. The White House leaked some of the bad information about Vice-President Spiro Agnew.¹¹ To be more precise, assets of the New World Order working close to Nixon leaked allegations of corruption and bribery.
3. Richard Nixon was put into office by the New World Order because they wanted him in office in 1968, they did not want him in office in 1973-1974.¹² (Nixon had been told that rather than 1960 he could be President in 1968 which he preferred knowing their plans for 1975-76.) When they wanted to arrange Nixon's fall, they did not want Spiro Agnew to be in the line of succession.
4. Alexander Haig, with strong ties to the New Order, the Rockefellers, and on the CFR, according to Agnew in Agnew's book *Go Quietly or Else*, made veiled threats on Agnew's life if he didn't resign.
5. The New Order knew Agnew's life story, and knew the Press could convince the public that the allegations about Agnew were true (which they weren't). He was selected for Nixon's Vice-President, so that the New World Order could force him out of office, and install the Mason/Bilderberger Ford.
6. The Watergate Affair was intentionally created by the CIA and the Rockefellers. Read Gary Allen's *The Rockefeller File*. The man who blew the whistle on the Watergate Breakin was a CIA agent James McCord.¹³ Other CIA agents were involved like Richard Ober, who was an important leaker of news to the press about Watergate.¹⁴
7. The details of how Haig and Kissinger, CFR men, arranged for Nixon to be removed can be read in Epperson's *The Unseen Hand*, pp.420-421. A recent book that is based on seven years research *Silent Coup* by Len Colodny and Robert Gettlin tells the story of how Richard Nixon was forced to resign through the help of a military spy ring. The book has new information about important people overlooked in the older versions of what happened. (The book is available through Liberty Library, 300 Independence Ave., SE Wash., D.C.)
8. After Ford became President, he made Nelson Rockefeller his Vice-President. If the New World Order had wanted Rockefeller as President then Nelson could have been appointed Vice-President rather than Ford, because they knew Nixon was going to fall.
9. A number of men in military intelligence are aware that a military coup took place that ousted Richard Nixon, because they heard orders that instructed military personnel to no longer take orders from the White House or "Top Hat" which was a code word for the White House. The interested person in this particular point should get Milton William Cooper's book *Behold A Pale Horse* and read chapter 11.

There you have it, plenty of people with evidence that Nixon was given the hatchet by the New World Order—by a military coup that the public hasn't even known about. The minds of the Power are such, it is likely they never even cared what Nixon, the man they had put into the White House, went through to see his reputation (which they had created) destroyed. Nixon wisely did not allow them to do to him what had happened to Forrestal.

AN INTERRUPTION

Why does the Sanhedrin of the Bilderbergers mess around with installing and deposing men like Richard Nixon, rather than just ruling themselves? Because they want happy slaves. Just like

the Nazis with their pretend bath showers, they don't want to rock the boat. They have to stay on plan. Their plans call for a step-by-step progression into the New World Order. The time is here, everything is in place to begin their New Slave State.

I have expected the reader to keep his courage up as he reads this—for those that want information on how to cope read chapter 3.10. They have never won, until you and I give up.

The building of this One World Slave State will be done systematically. How many Jews resisted the Nazis? How many Poles resisted the Nazis? It was hard because things happened in a controlled step by step progression. Before the Jews were shipped, they were herded into Ghettos. (Yes—I believe Jews were killed, I don't believe the exaggerated figures, but I have seen too much evidence not to believe it happened.) What was there to stop the Nazis from carrying out what they had promised to do? And what is to stop the New World Order? Can they break your spirits?—only if you let them. Can they win? only when we the people give up and declare them victors. Can you survive? Did people survive W.W. II concentration camps? Did some people escape going to concentration camps? Enough pep talk. This chapter is to give the reader a feel for how the different components of the New Order are working together.

Chart 3: Illuminati Objective-abolish family life & marriage

Several charts have been provided to give an overview how the goals of the Illuminati, which have been known since the 18th century, have been carried out by the cooperation of a multitude of various Illuminati-controlled branches. This may seem hair-brained that various components work together, but it is confirmed by witnesses(ex-participants) to this Author, and the Power's own plans which have at various times been discovered. Further, the historical record upon close scrutiny backs it up.

OPERATIONS RESEARCH TECHNICAL MANUAL TM-SW7905.1

During the first known meeting of the Bilderbergers (which was in 1954 at Bilderberg Hotel in Oosterbeek, Holland) a TOP SECRET Manual was presented to the Policy Committee as instructions on how to carry out their policies. This top secret manual was entitled: "Silent Weapons for Quiet Wars An introductory programming manual Operations Research Technical Manual TM-SW7905.1"

Through various means copies of this manual have reached those of us trying to expose the New World Order.

This manual spells out in detail their strategy to control the masses of people. This manual is usually quite technical. The manual is not intentionally derogatory toward the common person in order to insult him, because it was not intended that the common people would ever lay eyes upon the manual. The following excerpt taken from many pages into the manual represents their twisted view of us, and it also represents the manual's author's subconscious need in circular reasoning to validate their heartless program for us:

"FACTOR VI—CATTLE

Those who will not use their brains are no better off than those who have no brains, and so this mindless school of jelly-fish, father, mother, son, and daughter, become useful beasts of burden or trainers of the same."

WHERE DOES ONE READ OF SIMILAR THINKING

The idea of calling Christians (and all gentiles) cattle is very strong in the Talmud.

The Hebrew acronym Akum in the Talmud (made up from the words Obhde Kokhabkim U Mazzaloth) is applied especially in Schulkhan Arukh to mean Christians. For instance, the word is applied to Christians in Orach Chaiim (113,8), and Iore Dea (148, 5, 12).

In Kerithuth (6b p.78) it says in the Talmud: "The teachings of the Rabbis is: He who pours oil over a Goi [gentile], and over dead bodies is freed from punishment. This is true for an animal because it is not a man. But how can it be said that by pouring oil over a Goi one is freed from punishment, since a Goi is also a man? But this is not true, for it is written: Ye are my flock, the flock of my pasture are men (Ezechiel, 24, 31) You are thus called men, but the Goim are not called men."

In Tract Makkoth (7b) one is not guilty of an accidental murder when trying to kill a Goi. A man is innocent of murder, "...if intending to kill an animal he kills a man by mistake, or intending to kill a Goi, he kills an Israelite."

In the Midrasch Talpioth (fol. 225d) and Orach Chaiim, 57,6a the Akum (the Christians) are said to differ only in form from beasts.

The gentiles are called "cow and ass" in Zohar, II, (64b).

Rabbi Edels in his comments on Kethuboth (110b) states: "The Psalmist compares the Akum to the unclean beast in the woods."

The gentiles propagate like beasts. "The sexual intercourse of a Goi is like to that of a beast." -Sanhedrin (74b) Tosephoth.

Because the gentiles are beasts the Talmud repeatedly says they are not capable of contracting marriages. See Kidduschim (68a), Eben Haezer (44,8), Zohar (II, 64b). Because Christians are so terrible, the Talmudic Jews are commanded not even to do anything good to Christians. "Those who do good to the Akum...will not rise from the dead." Zohar (1,25b).

The reader gets the picture. The Talmud has very little positive to say about the gentiles. What throws off Gentile readers of the portions of the Talmud that are available for him to read, are that the Talmud has some lofty principles—the catch is that they are meant only for other men—and the Talmud is emphatically clear Gentiles are animals, and according to the Talmud these "animals" can not be sinned against.

It is clear to this Author from studying the Rothschilds that they certainly have this view of the gentiles, and they have been nursing a hatred of gentile beasts for generations. (See chapter 3.3) This Author can't say exactly what the Rockefellers' views are. They are also Jewish, (for instance one newspaper talked about the Rockefellers going to their daughter's Bat Mitzvah.) The Rockefellers have at times said things that indicate they don't think much of the common person. This Author suspects that if the powerful Jewish Bankers have made alliances with any Goyim in order to rule the world—the powerful Goyim are going to be double-crossed.

ANIMALS

On the farm I fed animals outdoors in horrendous weather, and on other occasions I cleaned out lots of manure. I have nursed sick animals and helped many calves be born. Yet, on the farm, I also castrated animals, tagged their ears, helped brand them, and butchered them when it was decided upon. This is what they intend to do to you and me.

In socialist Orwell's book Animal Farm we learn what all their socialism will really boil down to—the maxim is found in Animal Farm—"All animals are equal, some are more equal than others."

When the elite's Fabian Socialism is put in place it will be worse than Hitler's socialism and Stalin's socialism. This benevolent dictatorship will answer to no other power except God almighty.

But just like when I held a bucket of grain in front of my sow to load her onto a truck to take her to her to a butcher, they offer you "incentives."

Incentives-Why should you have a cashless society? It will mean no more trips to the bank, no robberies, fewer police, easier transactions, etc.

Incentives-Why should you help exterminate Christians? They have a karmic debt to pay, and this is helping them pay off their debt.

Incentives-Why should you have One-Super-Church? In order to solve the problems of this hugh globe, to prove Christ's message (some of the people saying this are Communists!), to end denominational bickering and narrowmindedness, etc.

Why should the government take over the young children before age 5 ? This is the critical part of life, and parents are failing miserably.

Why should you think like cattle—that is follow the herd?

Lucis Trust tells us, "Looking at the whole problem from another angle, it might be stated that the effort of the past has been to raise the consciousness of humanity through the pioneering efforts of its foremost sons. The effort of the future will be to bring down into manifestation the consciousness of the soul through the pioneering efforts of certain groups. It has therefore, as you will readily understand, to be a group effort because the soul is group conscious and not individually conscious; the newer truths of the Aquarian Age can only be grasped as a result of group endeavour." (Emphasis in the original.)

The New Age movement doesn't want critical thinkers, people who think for themselves—because critical thinkers will realize all the garbage they are dishing out is not new, the ancient Babylonians, Hindus and Egyptians were saying the same things. Further, analytical minds rather than "intuitive" minds will begin to put two and two together, they will realize what's happening.

ON AND ON AND ON I have read in their own material all their well thought out incentives. They prefer not to tell us the bottom line, the fine print that means a NEW WORLD SLAVE STATE. They prefer not to tell you how they have carefully thought out how to cause many of the problems that they use to demand to limit our freedom in order to save us. When one reads the detailed studies these people have done on what they are doing and plan to do, it blows one's mind. They have many of the best minds in this country massaging their ideas, and researching and testing them. The public has no comprehension how carefully thought out and detailed their plans are. Further they have set up organizations to perpetuate their power and plans to world domination over as long a period as it takes. They are in this for the long haul. It is designed that way.

ARE WE CATTLE?

Even if we are, cattle can go through fences. I'm counting on you to be a person and not a cow. A horse thinks like a horse, and a cow like a cow. But a person, who can predict? Why don't you surprise the New World Order Masters, or their proxies, and subordinates.

They have also left out one thing in their calculations and formulas. God Almighty. From Russia comes the report of a particular Russian lad who was drafted as they all are into the Russian army. The Company officers decided to torture him to get him to renounce his Christian

faith. Finally, being unsuccessful, they decided to make an example of him by stripping him naked and placing him at attention outside during the Russian winter. They figured he'd freeze shortly. A miracle took place, an angel ministered to him, he didn't freeze, and this all took place with the company observing. Then the Russian army had a whole company of die hard believers to deal with. If you are one of those people who are shaking their heads at this story—then it is obvious you too have left out God in your calculations.

WHERE IS THE DANGER?

At first before this book, to know about the separate parts of the Conspiracy may have meant no more to you than when a child watches a car's battery and radiator hose to understand how a car moves. The scheme of how it works, the principles, and how the components work together need to be understood before staring at a distributor cap will make any sense as to its relationship to the rest of the car. Likewise, this book is putting it all together for you. This chapter was especially meant for that, although other chapters help in this too.

THE SECOND TOWER OF BABEL

At times it seems that those bringing in a New World Order releece in the being identified with the first Tower of Babel. The official poster of the Council of Europe, which represent the EC, portrays the EC as the Tower of Babel under construction.¹⁶ Twelve pentagrams (this Council of EC likes to use pentagrams often upside down) representing the 12 nations of the new United Europe are above the poster's Tower of Babel.¹⁷

This has been picked up by various magazines. Dave Hunt reports that a special insert in the European Edition of the Wall Street Journal for the second quarter of 1990 carried an IBM ad showing the new United Europe as a Tower of Babel under construction.¹⁸

In 1723, a poem was written in London entitled "The Freemasons; a Hudibrastic Poem. A couplet of it ran:

"If history be not ancient fable

Free Masons came from the Tower of Babel."^{18a}

If you have been helping build this Tower of Babel, and have read this far, I encourage you in the name of Jesus Christ your Savior, to lay aside your Masonic square and level, your Masonic plumb line, your trowel, your masonic mallet and chisel, your Masonic rules and lines and pick up the Word of God and free yourself of these great pillars that support a great new Tower of

Babel dedicated to the religious enslavement of mankind.

Lockhead Aircraft Corp. advertises that its computers are designed to "combat the Babel effect" and to create global understanding again.¹⁹

Just as the freedom that they promise is slavery, the understanding they promise is confusion. Al Seckel, a physicist and molecular biologist who has edited two collections of the writings of Bertrand Russell makes these astute comments, "It appears as if I have entered the 'Twilight Zone' every time I talk with or read the literature of people associated with the New Age movement. Terms that have quite specific meanings are often carelessly bandied about with the result that the message is either gibberish to someone who knows the proper usage of the terms or profound, esoteric, and sublime to those who do not...First, the use of technical jargon in a popular format, whether the words are contained in the dictionary or freshly coined, is meant to impress the reader. Second, the meanings of words are subtly changed as a way to intimidate people. It has become fashionable, for example, for those who advocate an unorthodox point of view to declare themselves 'open-minded'."²⁰

Have you ever noticed that the "open-minded" believers of these "New Age" ideas righteously denounce anyone who disagrees with them as not having an open-mind? To like today's rock music is open-minded, to like "elevator music" or gospel music is closed minded.²¹

The misappropriation of words has long been a stock tool of the various branches of the Illuminati, because their intent has always been to misled. The supreme elevation of this is when it becomes official policy to use double-speak and double-think. If anyone thinks double-speak is something only out of Orwell's 1984 or the future, they should read U.S. military and U.S. government literature. The double-speak is quite prevalent, especially pervasive within groups like the CIA. Bear in mind, these are the people governing us.

JEHOVAH'S WITNESSES

The Masonic goal was to get prayer, the pledge of allegiance, and religious trappings out of the public schools. In 1939, the composition of who sat on the Supreme Court was changing. The next few years would see many new appointees. The Mason F.D. Roosevelt was appointing Masons to the Supreme Court. When the Jehovah's Witnesses began taking cases to the Supreme Court in the late 30's and early 40's many of the Mason Supreme Court Justices were Masons. In order of their appointments, the following Masons were serving on the Supreme Court when the Jehovah's Witnesses began winning court cases:

Hugo L. Black (Mason) 1937-71

Stanley F. Reed (Mason) 1938-57

Felix Frankfurter (Jew with B'nai B'rith) 1939-1962 (while Jewish supreme court justice Louis D. Brandeis ended his term in '39)

William O. Douglas (Mason) 1939-1975

James F. Byrnes (Mason) 1941-42

Robert H. Jackson (Mason) 1941-54

Wiley B. Rutledge (Mason) 1943-49

This author has been told by one Mason how closely he watched each of these Jehovah's Witness Supreme Court cases. This Author's theory is that the Jehovah's Witnesses were serving as the foot soldiers for the Masonic hierarchy's ambitions. Most of the Supreme Court cases of significance during this period involved the Jehovah's Witnesses. By 1955 they had won 40 Supreme Court victories.^{21a} An example of how the JWs repeatedly won is May 3, 1943 when the Supreme Court decided 12 out of 13 cases in their favor.^{21b}

Roosevelt's Attorney General Francis Biddle was very liberal toward the Jehovah's Witnesses.^{21c}

Rolf Svensson, researching at Shiloah, found out that their legal library had 20 large shelves filled with legal literature involving the Jehovah's Witnesses.²² The Jehovah's Witnesses were instrumental in getting the vestiges of Christianity and acts of nationalism taken out of a number of countries' schools.

On June 14, 1943 the Supreme Court decided in *West Virginia Board of Education v. Barnette* that Witness children could not be expelled from public schools for refusing to salute the U.S. flag.^{22a}

Although the Jehovah's Witnesses are out in the trenches winning battles against Christendom and Nationalism for the Masons, it appears that they are considered expendable. In contrast to the Mormons who are advised to get the best education, and to have large families, the Jehovah's Witnesses are advised not to get good educations²³ and to consider not having children.²⁴ The

Mormons have an aggressive door-to-door campaign also, so it is not necessary to throw away the potential of the Jehovah's Witness youth, and to deny the JW's the privilege of enjoying family life, just to have an aggressive door-to-door campaign.

The WT Society has chosen the dates 1914, 1925, 1975, 2000 as the dates for Armageddon. This is interesting. The Masons had big plans for 1914, the creation of WW I, the Priore de Sion wanted to put one of the Black Nobility in power over a United Europe in 1914, but someone changed their plans. The Theosophical Society wanted to introduce the New Messiah in 1925-26 but that plan collapsed in embarrassment. The New World Order wanted to bring in their rule by 1976, and it was also announced far in advance that the New Age Subversive organizations announced they would do their work in the open after the key year of 1975. Things happened but not as big as they had planned and they put off many things. Finally now, the New Agers, the Masons and others are pointing to the year 2,000 for the start of the New Age, and so is the WT Society. An example of numerous low key statements coming out of the Society is this quote from Awake! Nov. 8, 1986, pp. 7-8,

"For the year 2000, I visualize a world transformed into a beautiful paradise! But I don't think that either the present world or its rulers will live to see that day....We are living in the last days of the system of things."

WT -LDS LEADERSHIP COOPERATION

Although confidential sources reveal that there is cooperation between the LDS top church leaders and the WT Society, it is very difficult to see any cooperation publicly. It would be nice in a way to be able to say on such and such a day Pres. So-and-so called Pres. So-and-so and here is the transcript of the discussion. Further, there is the difficulty that publicly the Mormons and Jehovah's Witnesses are enemies, which totally obscures the cooperation.

We could expect a no-holds religious conflict going on between such zealous proselytizing groups. Several items are hints of what is going on at the top behind the scenes.

Hints:

item 1. Jehovah's Witnesses have been given so little and such poor quality anti-Mormon material from headquarters that a typewritten manuscript of about 10 pages written by a JW not in the WT hierarchy has been circulating among the JW congregations in the Western States. It is rare that local JW's will dare write anything religious, that role is reserved for the WT Society. This Author has personally examined this JW Anti-Mormon paper. It is superficial and simplistic. That the JW's have to resort to it, underlies how little importance WT headquarters in Brooklyn, NY have placed in converting Mormondom.

item 2. C.T. Russell had a genial attitude toward Mormons. When the WT Society's founder C.T. Russell stopped at Salt Lake City, UT he went to the Mormon Tabernacle for a service. His reaction to Utah, "It is our opinion that Mormons are as honest as others—more honest than many." The tenor of his brief stay could hardly be labelled antagonistic.(WT Aug. 1, 1911, pp. 229-230 ; WTR p. 4861)

item. 3. The WT Society speaks of a restoration of all true doctrine in the WT 8/15/1971 p. 503. The concept that there was a modern day restoration of true doctrine parallels Mormonism.

From these three little hints we could gather that the WT leadership is not as antagonistic toward Mormonism as we would expect, and that they both even share some common religious ideas.

THE MORMONS

The world's largest computer is owned by the Mormons and has been placed in an underground facility ready to withstand even a nuclear war.

And what is this computer used for? It stores all the family history information of the world. Although there certainly are gaps in the historical records, the Mormon church has done about as good a job as possible. They have gone to every country in the world and photographed every conceivable genealogical record they can find.

The Tract Sacred Temples of the Church of Jesus Christ of Latter-Day Saints put out by the Corporation of the President of the Church of Jesus Christ of Latter-Day Saints states, "But there are uncounted millions who have walked the earth and who have never had the opportunity to hear the gospel. Shall they be denied blessings that are offered in the temples of the Church?

Through living proxies who stand in behalf of the dead, the same ordinances available to the living are made available to those who have passed from mortality....This vicarious work constitutes an unprecedented labor of love on the part of the living in behalf of the dead. It makes necessary a vast undertaking of genealogical research to find and identify those who have gone before. To assist in this research, the Church coordinates a genealogical program and maintains research facilities unmatched in all the world....This program...has been utilized by various nations as a safeguard of their own records."^{24a}

The Mormon people are told their chief religious duty is to do their own families' genealogical charts. The Mormons also secretly have staffs of Mormon genealogists doing charts of people in general who are not their own relatives. This secret program is called the "Named Extration Records Program".^{24b} The Mormons also get the public schools involved. Because the amount of work processing the world's genealogical records is so immense the Mormon Church is quietly getting High School classes to help with the work. Public High School typing classes are being given records to type out as assignments. Although the Mormon people have been told this genealogical material is needed to baptize the dead, it is actually being compiled for Big Brother to control us when the New Order comes. The Mormon church has spent billions of dollars on this project, and the Mormon people have been conned into spending untold millions upon millions of hours of volunteer work to get all these records in order.

The LDS Mormon Church in Utah is the religion of Masonry under another name. The RLDS church may be infiltrated with Masons, but it is not the religion of Masonry. That is why the Power has favored the LDS church over the RLDS church, and in part why the Reorganized church even though it has always had a more legitimate claim to authority and a more practical theology has never thrived. The Mormon temples are really just Masonic temples, and if their plans develop far enough we may live to see that fact openly declared. Its interesting that the LDS church was in favor of the RLDS's first Temple, the one built in Independence, MO.

The Mormon church is being geared for survival. They are well prepared. It's long been this Author's opinion that in case of nuclear war, the religion that will prevail in the United States after the war will be Mormonism. Why? Mormons are prepared to survive, and there are many Mormons in the government, CIA, FBI who will be earmarked for special government shelters.

This Author has been in an underground government city, built to protect government people in case of a nuclear war. It's scary, the government has built itself multitudes of expensive shelters (some secret), and the people of the U.S. have been left basically to fend for themselves. Is that what it means to have a government "for the people"?

CHURCH UNIVERSAL & TRIUMPHANT

This new-age church is there to recruit those who do get concerned with the kind of information that you are reading in this book. It then siphons off the public's response against the System into this little cult.

The church owns 33,000 acres in Park County just north of Yellowstone Park. On this land they have built an underground shelter capable of handling 756 people, and 45 smaller shelters capable of handling another 100 people. There are 3,000 of the church in that area, so mathematically they appear to be short of space. The main shelter consists of 6 interconnected 14' x 200' living areas. Trucks of weapons and ammunition were being delivered daily, according to county officials interviewed in Mar. 1990.²⁵

C.U.T. member Mike Derkers interviewed during the construction of one of the nuclear bomb shelters stated, "We may seem paranoid, especially with all the changes in Eastern Europe, but its pretty obvious that those changes are part of a hugh KGB smokescreen."²⁶

THE ROMAN CATHOLIC CHURCH

The Roman Catholic Church has provided much of the framework and manpower, etc. for the creation of a One-World-Religion. The Catholic church has been the major power behind the ecumenical movement, which has taken the Christian churches away from their doctrinal foundations.

The Catholic Church has provided all kinds of help for the CIA. It was Catholic money which made Solidarity in Poland, which was their planned instrument to cause the "Iron curtain" to appear to dissolve. (Socialist governments are still intact in all the Eastern European communist countries, and leading communists still are in key positions.)

The key Bilderbergers have veto power over who becomes the Pope. What is important about the Catholic church is its power and size. It is available for a wide range of scenarios, because of that power.

Some literature today pushes the idea that the Catholic church is the mastermind behind all these forces. Could it be the the Rothschilds, the Communists, the CIA are working for the Catholic church? When one becomes aware of details such as how much more powerful the Rothschilds are than the Vatican, of how the Masons had trouble controlling Pope John Paul I and had to murder him, and how Prince Bernhard of the Black Nobility has veto power over who is elected Pope—these type of things show that the Catholic church is being controlled by an outside force more powerful than itself. The Catholic church is in alliance with these forces now, and most certainly is playing a big role in their plans. As with all of these groups there are three levels so-to-speak of participation.

1. conscious participation
2. bought into the philosophy, but unaware of the final end. Someone once said, they are fools living by their folly. That is not the wording this Author would use, but it does express the idea that they are wrapped up with their vain philosophies.
3. influenced by the Zeitgeist of it, people in the social framework going with the flow.

JEWISH GROUPS

The Media (long controlled by Jewry) has so conditioned almost everyone, that I seriously wonder if it is of any value to attempt to undeceive people—even though I realize the facts are on my side. I could also quote people who were tops in their fields of expertise who can verify various things—but they typically have lost their jobs and have been ignored and are pariahs by Society for simply telling the truth.

A historical view of things is essential to understand where the non-Christian Jewish groups are coming from. Of any group of people, history is very important to the Jewish people. They still remember that day sometime in the late 14th or early 13th century B.C. when the angel passed over their first-born. 33 centuries and they haven't forgotten.

The concept of a Messiah is bound up in the traditions of the Jews like no other group. The Encyclopedia Judaica, p. 1416, in the art. "Messiah" explains that the Messiah is to be of the House of David, reign in Jerusalem, rebuild the Temple, and reinstitute the Temple sacrifices. This is the official position of the state of Israel.

Let us use a parable to discuss what has historically happened. There was a bride, but she found that she couldn't be faithful. Occasionally she came back to her good husband, but being debauched she was unappreciative of him, and had trouble seeing his worth. Besides there were just too many attractive men around. She was so wrapped up in her adultery and debauchery for so long, that when her husband came to help her out of her problems, she didn't even recognize her husband. She called the police and lied to them to destroy this man. She thought she had destroyed him through the police (but actually hadn't). As a divorced woman, who had gotten rid of her man, she sought to replace her sugar-daddy. A new husband would remove her reproach of being a whorer. But she wants a husband that will be strong, one who is attractive and worthy of her worship, but lets her have her own way in everything. So far no groom has been able to met such a demand. The new man will have to hate her first husband with a passion like she does.

Now the bride in the story is the Jewish nation. The good husband was the Lord. The new husband that she seeks for is the man of perdition that the Jews will worship, who will replace Christ the divorced husband. Christ, who was Messiah, tells the Jews "I have come in My Father's name, and you do not receive Me; if another comes in his own name, him you will receive." In 5:43 Simon the Magician was one of the false messiahs that arose, and interestingly Simon the Magician has some ties with those in Power today. But although Simon and many others—one author lists 25 false messiahs believed in by the Jews in the time period just after Christ Jesus^{26a} have come—none of those early false messiahs ever received much of a following. For the last few hundred years, the Hassidic leaders have been considered to be Messiahs by their followers. The Reformed Jews are now preaching that the Jews themselves are the Messiah—they can save themselves, and so this philosophy lends itself comfortably with the way they are gaining a monopoly of power over the world.

The Jews that examine the Talmud and Zohar see in these authorities the declarations that the gentile and Christian nations will be destroyed in order for the Messiah to reign.²⁷ Whether one believes in those passages of New Testament that speak of an Anti-Christ (cf. Rev 11:7; Rev 12 & 13; 2 Thes 2: 3,8) or not, it is possible to accept that certain elements of Judaism are strongly committed to a new messiah, and to boot a messiah that will be anti-christian. Thus we can recognize historically that the mission of Judaism is the dreadful mission of establishing the House of David as the world's King/Priest Theocratic dictator.

This is the House of Solomon that the Masonic Lodge has hoped to rebuild. The book Holy Blood/Holy Grail called the world's attention to the blood lines that claim to be of the House of David. This bloodline is extremely powerful now, and if given the opportunity, will set up their Anti-Christian (read Anti-Christ) ruler. They have many candidates for the office. Public statements by leading Jews this century show their expectation to rule the world.²⁸ Their strongest claim to Palestine is that Abraham's children were promised it. God has allowed these people who with their false claims (the descendants of the Khazars) to take over the Holy Land. This is one indication for those who follow Scriptural prophecy to realize that these false "Children of Abraham" can not give us a real messiah.

Whoever rules the world will have to get Jewish approval. The Jews have always gravitated toward spheres of activity that gave them control. As this Author has researched who is in financial control of things, it is clear that a limited number of Jews are in control. Masons are placed in many important positions. Many researchers have talked about a Judeo-Masonic conspiracy. At first this Author approached the subject thinking that these people were racists and must be biased in their findings. And probably some were biased and racists. Unfortunately they were correct. The Jews do have a monopoly to run this country, and many other countries. And anyone can find that out if they are unbiased and willing to look at the facts. The B'nai B'rith and other Jewish groups have put out a stream of lies concerning this. The author of the book Octopus does an expose on the many lies the B'nai B'rith is guilty of as they unshamedly lie to cover up the extent of Jewish power.

Perhaps there is no other way to than to just provide the reader with some names. You may have been told differently by the press. For instance, Clarence Dillon of Dillon Reed was born Clarence Lapowski, Dillon Reed. The Du Ponts are part Jewish- See Winkler, John H., The DuPont Dynasty, p.120.

These Powerful Jewish Bankers consistently seem to enjoy hiring or working with Freemasons. Although the Freemasons who are into Banking are not as powerful, and if they are gentiles are in positions where they answer to Jewish bosses, it is interesting to see a partial list of Mason Bankers too.

Whether it is business, commerce, the Federal Reserve, the Communist Party, the Auto/Transportation Industry, Steel, Rubber, Diamonds, Communications, the Media, Liquor and Tobacco you will find Jewish leadership and control. Under them, but near the top of things you will find Masons. (See Appendix for a list of Jews in U.N. leadership positions in 1951. As you will notice the Jewish Zionists, who are but a small percentage of the earth's population dominated the leadership of all areas of the United Nations.)

If the Greeks were totally dominating all sectors of American life and publicly stating they believed in a One-World-Government I would be exposing the Greeks in this section. I have no personal prejudice towards the Jews, I have defended them enough times. However, I would be liar not to tell you that the Jews with the Masons control this nation. And I advocate forgiveness toward them when at some point, Lord Willing, the pendulum will swing, and people will want revenge.
